

VANNER FAIR

Saturday, September 24, 2011
Deerfields Stables Country Inn
Caledon, ON

PASSION COMES TO LIFE

Deerfields Stables Country Inn, just outside the Village of Palgrave in Caledon, will play host to North America's first ever 'Vanner Fair' with breeders, owners and trainers trekking from the far reaches of both countries to participate in artful demonstrations, keen competition, sales promotion and the good camaraderie which so naturally follows the colourful Gypsy Vanner horse.

Modelled after the world famous "Appleby Fair" held annually for hundreds of years in the Lake District of Cumbria in the UK, Vanner Fair will showcase the highly adaptable, newly registered Gypsy Vanner breed in a festive atmosphere which celebrates their unique history and the folklore that surrounds this magical horse.

A boutique trade fair will continue the 'Vanner Passion' with specialty vendors and artisans selling lifestyle and equine crafts and wares, while breeders and 'newbie' owners regale visitors with personal anecdotes about their life with a Gypsy Vanner. Hospitality areas, a VIP concierge tent, food concessions and a wine and beer garden with strolling entertainment complete the festive atmosphere which defines "Vanner Fair".
